Vie for the Kids hosted its first fundraising event in 2007 at Pettibone's Tavern in Simsbury, Connecticut and the response from the surrounding community was amazing. Since that first dinner, Vie for the Kids has partnered with many wonderful local chefs to create a truly engaging and meaningful experience that brings our neighbors together in the fight to cure childhood cancer. Please join us at The North House to honor Childhood Cancer Awareness Month and support the pediatric clinical trials program at Connecticut Children's.

Vie for the Kids is an all-volunteer charity with a mission to improve pediatric cancer treatment options and outcomes by actively supporting the clinical trials program at Connecticut Children's. The charity has organized and hosted a variety of fundraising events across the Farmington Valley over the past 16 years and has raised over \$1 million during this time through the generous support of the local community. We are committed to ensuring kids receive the care and treatment they need right here in our own backyard.
